THE WASHINGTON

The Washington combines the use of effective floor plan and a clever layout to maximise space, giving you large bedrooms all in a compact home.

With two facades options, the choice is easy when building your new home.

The Washington provides simple living for those wishing to have a carefree lifestyle. With ample garage space and open living, this style of home is ideal for those wanting to enjoy life in a very manageable sized home.

Ask our friendly consultants today for assistance in developing your dream home.
